DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/06/2008 has been entered.

Allowable Subject Matter

Claims 1 and 4-18 are allowed.

The following is an examiner's statement of reasons for allowance:

With regards to claim 1, applicant's persuasive arguments presented overcome the rejections to the claims as well as the amendments to more clearly define the invention, namely that light detected by the second detector travels a shorter optical path than has light detected by the first detector.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
